8kgamerz blogs adheres to the Digital Advertising Alliance (DAA) Self-Regulatory Principles in the US and to the European Digital Advertising Alliance (EDAA) Principles in the EU and the IAB Europe OBA Framework.

The 8kgamerz blogs Ad Exchange uses cookies, Web beacons, pixels, tags, and similar technologies to give Publishers the possibility to offer, and Ad Exchange advertisers the ability to show, targeted ads on the device on which you are viewing this policy or a different device. These ads are more likely to be relevant to you because they are based on inferences drawn from location data, web viewing data collected across non-affiliated sites over time, and/or application use data collected across non-affiliated apps over time. This is called "interest-based advertising." In addition, certain third parties may collect data on the 8kgamerz blogs website and combine this data with information collected from other websites over time for purposes that include interest-based advertising.
